COMPANY OVERVIEW AND CAPABILITIES

Circuit Media provides public information and outreach, graphic design, marketing, communications, event planning, and project management services to the local, state, and federal government. Circuit Media has provided public information services on over 100 municipal and state infrastructure projects and we are experts in effectively communicating and engaging with stakeholders.

CIRCUIT MEDIA DBE STATUS

As a multi-state DBE, we can help you meet both your specific needs and your state's DBE goals.

Current			Pending	
Colorado	Illinois	Oklahoma	Arkansas	Nevada
Alaska	Iowa	Oregon	Kansas	New Jersey
Arizona	Minnesota	Texas	Kentucky	Wisconsin
California	Montana	Utah	Indiana	Virginia
Hawaii	Nebraska	Washington	Missouri	
Idaho	New Mexico	Wyoming		

PUBLIC INFORMATION CORE COMPETENCIES

Communications Management

We research stakeholders and create and implement detailed public information plans and strategies

Event Management

We handle all aspects of planning and hosting public meetings, open houses, town halls, and media conferences

Community Engagement

We set up simple, yet effective, lines of communication for the public and resolve inquiries within 24 hours

Media Relations

Solid relationships, accurate messaging, and timely delivery are the key factors for our successful media relations

Outreach Materials

Our in-house graphic design studio produces custom collateral, from maps to ads, aimed at informing our audiences

Crisis Communications

We develop detailed crisis communications plans and strategies to expertly communicate during emergency situations
