COMPANY OVERVIEW AND CAPABILITIES

Circuit Media provides public information and outreach, graphic design, marketing, communications, event planning, and project management services to the local, state, and federal government. Circuit Media has provided public information services on over 100 municipal and state infrastructure projects and we are experts in effectively communicating and engaging with stakeholders.

CIRCUIT MEDIA DBE STATUS

As a multi-state DBE, we can help you meet both your specific needs and Colorado's DBE goal.

Current

Colorado	Idaho	Maryland	Nebraska	Texas
Alaska	Illinois	Michigan	Nevada	Utah
Arizona	Indiana	Minnesota	New Mexico	Virginia
California	Iowa	Missouri	Oklahoma	Wyoming
Hawaii	Kentucky	Montana	Oregon	Washington

PUBLIC INFORMATION CORE COMPETENCIES

 **Communications Management**
 We research stakeholders and create and implement detailed public information plans and strategies

 **Event Management**
 We handle all aspects of planning and hosting public meetings, open houses, town halls, and media conferences

 **Community Engagement**
 We set up simple, yet effective, lines of communication for the public and resolve inquiries within 24 hours

 **Media Relations**
 Solid relationships, accurate messaging, and timely delivery are the key factors for our successful media relations

 **Outreach Materials**
 Our in-house graphic design studio produces custom collateral, from maps to ads, aimed at informing our audiences

 **Crisis Communications**
 We develop detailed crisis communications plans and strategies to expertly communicate during emergency situations
