PRIZE CHALLENGE PLANNING AND MANAGEMENT SUPPORT

Creative Direction

Collaborate with the client to develop an overall creative direction for the challenge or event; develop a comprehensive style guide, if needed, for client approval; ensure all deliverables meet standards of the approved style guide

Marketing Materials

Create logos and color schemes for event brand, create event website and social media strategies and posts, design and print materials (name badges, banners, information packets, directional signs, registration signs, sign-in sheets, evaluation forms) using plain language

Social Media and Outreach Support

Assess client objectives and timelines to develop an effective outreach schedule; align outreach content and design with client goals and any required or requested style guides; assist in seamlessly executing the approved outreach schedule while tracking and reporting on metrics

Writing and Copy Editing

Compose consistent messaging across all forms of communication mediums; ensure writing speaks to all identified audiences in plain language; offer editing services on any language developed by the client or in-house

Photography and Videography

Record event, capture event through photo and video, prepare event video and final high-quality photos

Website Design and Hosting

Work closely with the client through every step of the agile website design process; secure and maintain URLs and domain hosting, as needed; provide detailed website analytics and archived history

Prize Challenge/Event Planning and Management

Analyze goals, create strategy, agenda, and corresponding schedules, including run-of-show and day-of scheduling, and manage online and on-site registration

Workshop and Training Development

Develop curriculum, tools, and activities for each event; create eLearning videos and other supporting materials to enhance effectiveness and experience; provide coaching and technical assistance as needed

Meeting Facilitation

Ensure conversations flow well and material is delivered efficiently; experience using Design Thinking methods to increase attendee engagement across all digital mediums and in person
