CAPABILITIES

Circuit Media offers our OASIS SB clients a dedicated and experienced team of program managers, excellent past performance ratings, and advanced capabilities across a variety of mission spaces and federal agencies. Circuit Media specializes in recruiting and retaining highly skilled staff and uses its collaborative and client-centered approach to ensure all staffing contracts are met with the highest level of customer service. We work hard to serve as a true business partner to our clients that collaborates to assess goals, create timelines and develop solutions that provide positive outcomes for both customer and constituent. Whether we are staffing a project, providing administrative support or management consulting services, we utilize concise methodologies to offer cost-effective results that meet and exceed expectations.

WHAT CLIENTS SAY ABOUT CIRCUIT MEDIA:

“They’re responsive. They care for their employees. They care for the work both that our government entity has needed and what the employees have needed. If we’re looking at a layer of a cake, they’re at the top of the cake. Right? They’re at the top tier. I couldn’t say enough good things about Circuit Media. They’ve really been a true pleasure to work with.”
–Staffing Support Services Client, DOD
