## Why Use OASIS+

As a GSA Best-in-Class contract vehicle, OASIS+ provides streamlined access to highly qualified contractors for a wide range of procurement needs, including set-asides. GSA's modernized procurement systems enhance efficiency and accessibility throughout the acquisition lifecycle, benefiting both agencies and industry partners. With extensive experience in government procurement, Circuit Media understands the complexities of successful acquisitions and strongly advocates for the use of OASIS+ and other GSA contracting vehicles to achieve mission-driven outcomes.

## CAPABILITIES

Circuit Media works collaboratively with clients to assess goals, create timelines and develop solutions that provide positive outcomes for both customer and constituent. Whether we are staffing a project, providing administrative support or management consulting services, we utilize concise methodologies and plain language skills to offer cost-effective results that meet and exceed expectations.

Circuit Media offers our OASIS+ SB and WOSB clients a dedicated and experienced team of program managers, excellent past performance ratings, and advanced capabilities across a variety of service areas and federal agencies.
